Miller Arts Scholars Minigrant Outcome Report Fall 2021

I want to thank the Miller Arts Scholars program for granting this proposal. Through the funding I've received for the below production equipment, I have re-inspired my lifelong desire to start to create my long anticipated album, *Memoirs of a Foreign Face*. Although the goal of this mini grant was to complete my album by the winter of 2022, I have made incredible progress in the creative aspect of experimentation and artistic development. I've generated large volumes of thoughts and creative ideas that I am eager to share with the world with the launch of the album come the release of *Memoirs of a Foreign Face*.
